Target engineering professionals in the evaluation field with **Evaluation Engineering**.

Since 1962, **Evaluation Engineering** has been dedicated to meeting the informational needs of engineering and management professionals involved in testing, evaluation, and total product quality in electronics. Presented in an accessible format for the busy engineering professional, **Evaluation Engineering** covers the latest in new test technologies and methodologies, applications, new products, and the broader issues relevant to managers of test and quality control. Regular features address every major industry in electronics, including automotive, communications, computer, medical, aerospace, semiconductor, consumer, and more.

Edith Roman recommends this list for a variety of offers including subscriptions, seminars, catalogs, courses, and more.

Products Specified:

ATE/QA/Production Test:

Board Testers	23,912
Manufacturing Defect Analyzers.....	20,314
Continuity Testers, Cable/Harness/ Board	23,722
Switching Systems.....	20,376
Handlers	18,688
IC Testers	19,559
Wafer Probers.....	15,918
Environmental Test Equipment.....	20,371

Data Acquisition/Analysis:

Data Acquisition Boards	32,351
Data Acquisition Software	33,495
Data Acquisition Systems.....	32,129

Design/Test Automation:

Test Development/Software	29,173
Design-for-Testability Software.....	25,372

Card-Level Instruments and Buses:

LXI Instruments / Products.....	20,252
PCI/Compact PCI/PXI/VXI	22,975
GPIO/IEEE 488	22,409
RS-232	22,159

Inspection Equipment:

Image Analysis/Processing	21,702
Microscopes, Optical	24,054
Microscopes, Scanning (SEM, AFM)	21,711
AOI- Automated-Optical Inspection	17,842
X-Ray Inspection Equip/Services.....	17,643
Camera/Machine Vision Systems	20,223

Communications/RF/Microwave Test:

Communications Test Equipment.....	24,707
RF/Microwave Test Equipment.....	20,256
Electro-Optic/Fiber-Optic Testers	19,467

Test Services/Software:

Environmental Test Services	22,616
IC/Component Test Services	19,866
EMI/RFI Test Services	21,118
Failure Analysis Services	21,318
Board/Subassembly Test Services.....	19,217
Calibration/Maintenance Services	23,740

Test Instruments:

LCR Meters	30,496
Counters/Timers	31,407
DMMs/Multimeters.....	32,209
EMI/RFI Test Equipment	25,792
Frequency Synthesizers.....	24,414
Function Generators	25,931
Logic Analyzers	25,202
Oscilloscopes	29,813
Power Analyzers	27,178
Power Supplies/Sources	33,601
Recorders/Dataloggers.....	21,402
Spectrum Analyzers	20,682
Temperature Measurement Equipment.....	23,612
Test Equipment Leasing/Rental	18,054
Waveform Analyzers	16,345

Protective Products/Devices:

EMI/RFI Control/Protection	18,053
ESD Control/Protection	18,353
ESD Monitoring/Simulation Systems.....	15,966
Suppression Components	15,812
